

SUMMARY OF HIV GROUP WORK

CONCLUSION OF GROUP WORK

- ❑ Understood the proposed strategic directions, interventions and activities of NSP IV-HIV 2021-2025, which will be finalized and endorsed on 26 November 2019 in the Expanded HIV TSG Meeting in NPT
- ❑ Prioritized the NSP activities to be included in the Global Fund's Funding Request for HIV/TB grant, year 2021-2023. This prioritization focuses on:
 - prevention (harm reduction, sexual transmission, PMTCT)
 - care and treatment
 - human rights and gender
- ❑ Discussed possibilities of Private Sector Partnership
- ❑ Discussed TB/HIV collaboration—including piloting new integrated approaches in selected township.

NEXT STEPS

- ❑ TB and HIV to further discuss collaborative activities for the Global Fund Concept Note
- ❑ Define Community-led services to be included into NSP HIV IV
- ❑ Prioritized activities to be shared to the Concept Note Core Group for consideration and development of funding request
