Training Process

Preparation for the training

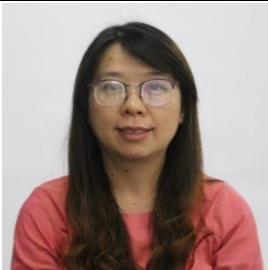

Preparation of the training was conducted since May 2019. Training contents were confirmed by the Union Minister. Selection of the lecturers was based on their expertise and availability or nominated by Rector or Professor/Head of respective Department. Lecturers and facilitators outside DMRs were contacted for availability about 10 days to 2 weeks in ahead and official invitation for giving lectures was sent via email. Objectives of the training workshop and the selection criteria were informed on phone with the responsible persons of targeted Departments one week ahead followed by sending the official invitation letters. Nomination of the participants was obtained on phone and individual participants were contacted and informed to attend the

List of participants, facilitators and secretariat group

List of participants

No.	Photo	Participants, Department
1		Dr. Kyaw Soe Tun M.B,B.S,M.Med.Sc (Pathology) Consultant Magway Regional Hospital.
2		Dr. Nan Wit Yi Tun M.B,B.S, MPH Lecturer Preventive & Social Medicine University of Medicine (1).
3		Dr. Hnin Ohnmar Soe M.B,B.S ,M.Med.Sc ((Pathology) Research Scientist Molecular Technology Applications Division, DMR (HQ)
4		Dr. Yin Min Kyaw M.B,B.S. ,M.Med.Sc(Pharmacology) Assistant Lecturer Pharmacology Department, University of Medicine 1, Yangon.
5		Dr. Yin Min Min Htut M.B,B.S.,MPH Medical Officer (Planning) Yangon Regional Public Health Department.

6		Dr. Hla Nu Kyi M.B,B.S., M.Med.Sc(Microbiology) AP Associate Professor Department of Public Health laboratory, UPH,
