

Workshop on Minimum Initial Service Package (MISP) for Sexual and Reproductive Health in Emergencies

Agenda for MISP Training		
Time	Program	Responsible team
9:00-09:30am	Opening Speech	Director General, Department of Public Health
9:30-9:45am	Objectives of the workshop	Deputy Director General, Maternal and Child Health
9:45- 10:00am	Photo session & Refreshment	
Day 1	Sexual & Reproductive Health in Emergencies	
	Introduction to sexual & reproductive health in emergencies	MRH
Length	1 hour 30 minutes	
Methodology	This session will welcome participants to the training for program managers and provide an introduction to why it is important to address sexual and reproductive health needs in humanitarian settings from different perspectives.	
Materials	Pre-test Interactive presentation Video presentation Introduction to scenario used throughout the training Group work	
	Pre- test PowerPoint Presentation Video: SRH in emergencies/Audiovisual equipment Participant Handouts & Group Work supplies MISP for SRH Cheat Sheet	
Session 1.2	Inclusion: Leaving no one behind	UNFPA
Length	1 hour	
Overview	This session will provide participants with an 'inclusion lens' which they should carry with them through the remainder of the training. It focuses on marginalisation and vulnerability, but also the capacities inherent in populations.	

	Inclusion is not part of the MISP for SRH, but it is an important crosscutting theme that emerges from the IAFM (2018). It is a critical component of effective and equitable programming.	
Methodology	Interactive presentation Group work	
Materials	PowerPoint Presentation Flipcharts/ paper & markers Participant Handouts & Group Work supplies	
Break		
Session 1.3	Coordination saves lives: MISP Objective 1: Ensure the Health Sector/ Cluster identifies an organisation to lead implementation of the MISP for SRH	MRH/UNFPA
Length	3 hours	
Overview	This session will provide participants with an understanding of global and national coordination mechanisms for SRH in humanitarian emergencies. Participants will also develop skills in coordination and an appreciation of why coordination is so important for MISP implementation.	
Methodology	Interactive presentation Group work Game Discussion Presentation by government representative or other (if possible) Role play	
Materials	PowerPoint Presentation Flipcharts Participant Handouts & Group Work/ Game/ Role Play supplies	
Day 2	The Minimum Initial Service Package: Objectives 2 & 3	
Session 2.1	MISP Objective 2: Prevent sexual violence & respond to the needs of survivors	UNFPA
Length	4 hours	
Overview	This session will develop program managers' knowledge and skills in preventing sexual violence & responding to the needs of survivors in emergencies, with a focus on how the MISP for SRH addresses these serious SRH concerns.	

Methodology	Interactive presentation Video presentation Group Work Role play	
Materials	PowerPoint Presentation Video: GBV/ SV in emergencies/Audiovisual equipment Participant Handouts & Group Work/ Role Play supplies	
Break		
Length	2 hours	
Session 2.2	MISP Objective 3: Prevent the transmission of & reduce morbidity & mortality due to HIV & other STIs	UNFPA
Overview	This session will develop program managers' knowledge and skills in preventing the transmission of & reducing morbidity & mortality due to HIV & other STIs, with a focus on how the MISP for SRH addresses these serious SRH concerns.	
Methodology	Interactive presentation Group work	
Materials	PowerPoint Presentation Participant Handouts & Group Work supplies	
Day 3	The Minimum Initial Service Package: Objectives 4, 5 & 6 & Other SRH Priority Activity	
Session 3.1	MISP Objective 4: Prevent excess maternal & newborn morbidity & mortality	MRH
Length	2 hours	
Overview	This session will develop program managers' knowledge and skills in preventing excess maternal and newborn morbidity & mortality in emergencies, with a focus on how the MISP for SRH addresses these serious SRH concerns.	
Methodology	Interactive presentation Group work Discussion	
Materials	PowerPoint Presentation Participant Handouts & Group Work supplies	
Break		

Session 3.2	MISP Objective 5: Prevent unintended pregnancies	MRH
Length	2 hours	
Overview	This session will develop program managers' knowledge in preventing unintended pregnancies in emergencies, with a focus on how the MISP for SRH addresses this serious SRH concerns.	
Methodology	Interactive presentation Case study analysis	
Materials	PowerPoint Presentation Participant Handout & Case Study supplies	
Break		
Session 3.3	MISP Objective 6: Plan for comprehensive SRH services, integrated into primary health care as soon as possible	UNFPA
Length	1 hour	
Overview	This session will provide participants with an overview and practical skills in planning for comprehensive SRH services integrated into primary health care as soon as possible, and working across the health systems building blocks to ensure sustained, improved and expanded SRH services.	
Methodology	Interactive presentation Discussion Group Work	
Materials	PowerPoint Presentation Participant Handout & Group Work supplies	
Break		
Session 3.4	MISP Other SRH Priority: Safe Abortion Care to the full extent of the law	MRH/UNFPA
Length	1 hour	
Overview	This session will explore the importance of providing safe abortion care in humanitarian emergencies, and context-specific laws and resources. Challenges and enablers to providing safe abortion care services will be considered.	
Methodology	Interactive presentation Exercise	
Materials	PowerPoint Presentation Participant Handout & Exercise supplies	

Day 4	Supporting MISP Implementation & Planning to Integrate Comprehensive SRH Services into Primary Health Care	
Session 4.1	Adolescent SRHR in emergencies	MRH
Length	1 hour	
Overview	This session will require participants to consider the particular needs and strengths of adolescents in humanitarian settings.	
Methodology	Interactive presentation Group work	
Materials	PowerPoint Presentation Participant Handout & Group Work supplies If possible: copies of the Adolescent Sexual & Reproductive Health Toolkit for Humanitarian Settings	
Break		
Session 4.2	Supporting MISP implementation: Funding	UNFPA
Length	45 minutes	
Overview	This session will provide participants with an understanding of global and national funding mechanisms for SRH in humanitarian emergencies.	
Methodology	Interactive presentation Group work	
Materials	PowerPoint Presentation Group Work supplies Flash Appeal Documents	
Short Break		
Session 4.3	Supporting MISP implementation: Logistics	UNFPA
	Length 1 ½ hours	
Overview	This session will develop program managers' knowledge and skills in logistic management for the implementation of SRH programs in emergencies.	
Methodology	Interactive presentation Group work	
Materials	PowerPoint Presentation Participant Handout & Group Work supplies	

Break		
Session 4.4	Supporting MISP implementation: Assessment, monitoring & evaluation	MRH
Length	1 hour	
Overview	This session will develop program managers' knowledge and skills in assessment, monitoring & evaluation for the implementation of SRH programs in emergencies.	
Methodology	Interactive presentation Group work	
Materials	PowerPoint Presentation Participant Handouts & Group Work supplies	
Break		
Session 4.5	Next Steps	MRH/UNFPA
	Length 2-3 hours	
Overview	This session will allow participants to practically apply their newly developed knowledge and skills to planning for next steps in preparedness and for response.	
Methodology	Group Work Post-test	
Materials	Participant Handout & Group Work supplies	
Closing of Training
