

Activities & Timeline

2020-21 Myanmar Demographic and Health Survey (MDHS)

Steering Committee Meeting, 18 August 2020, MoHS, NPT

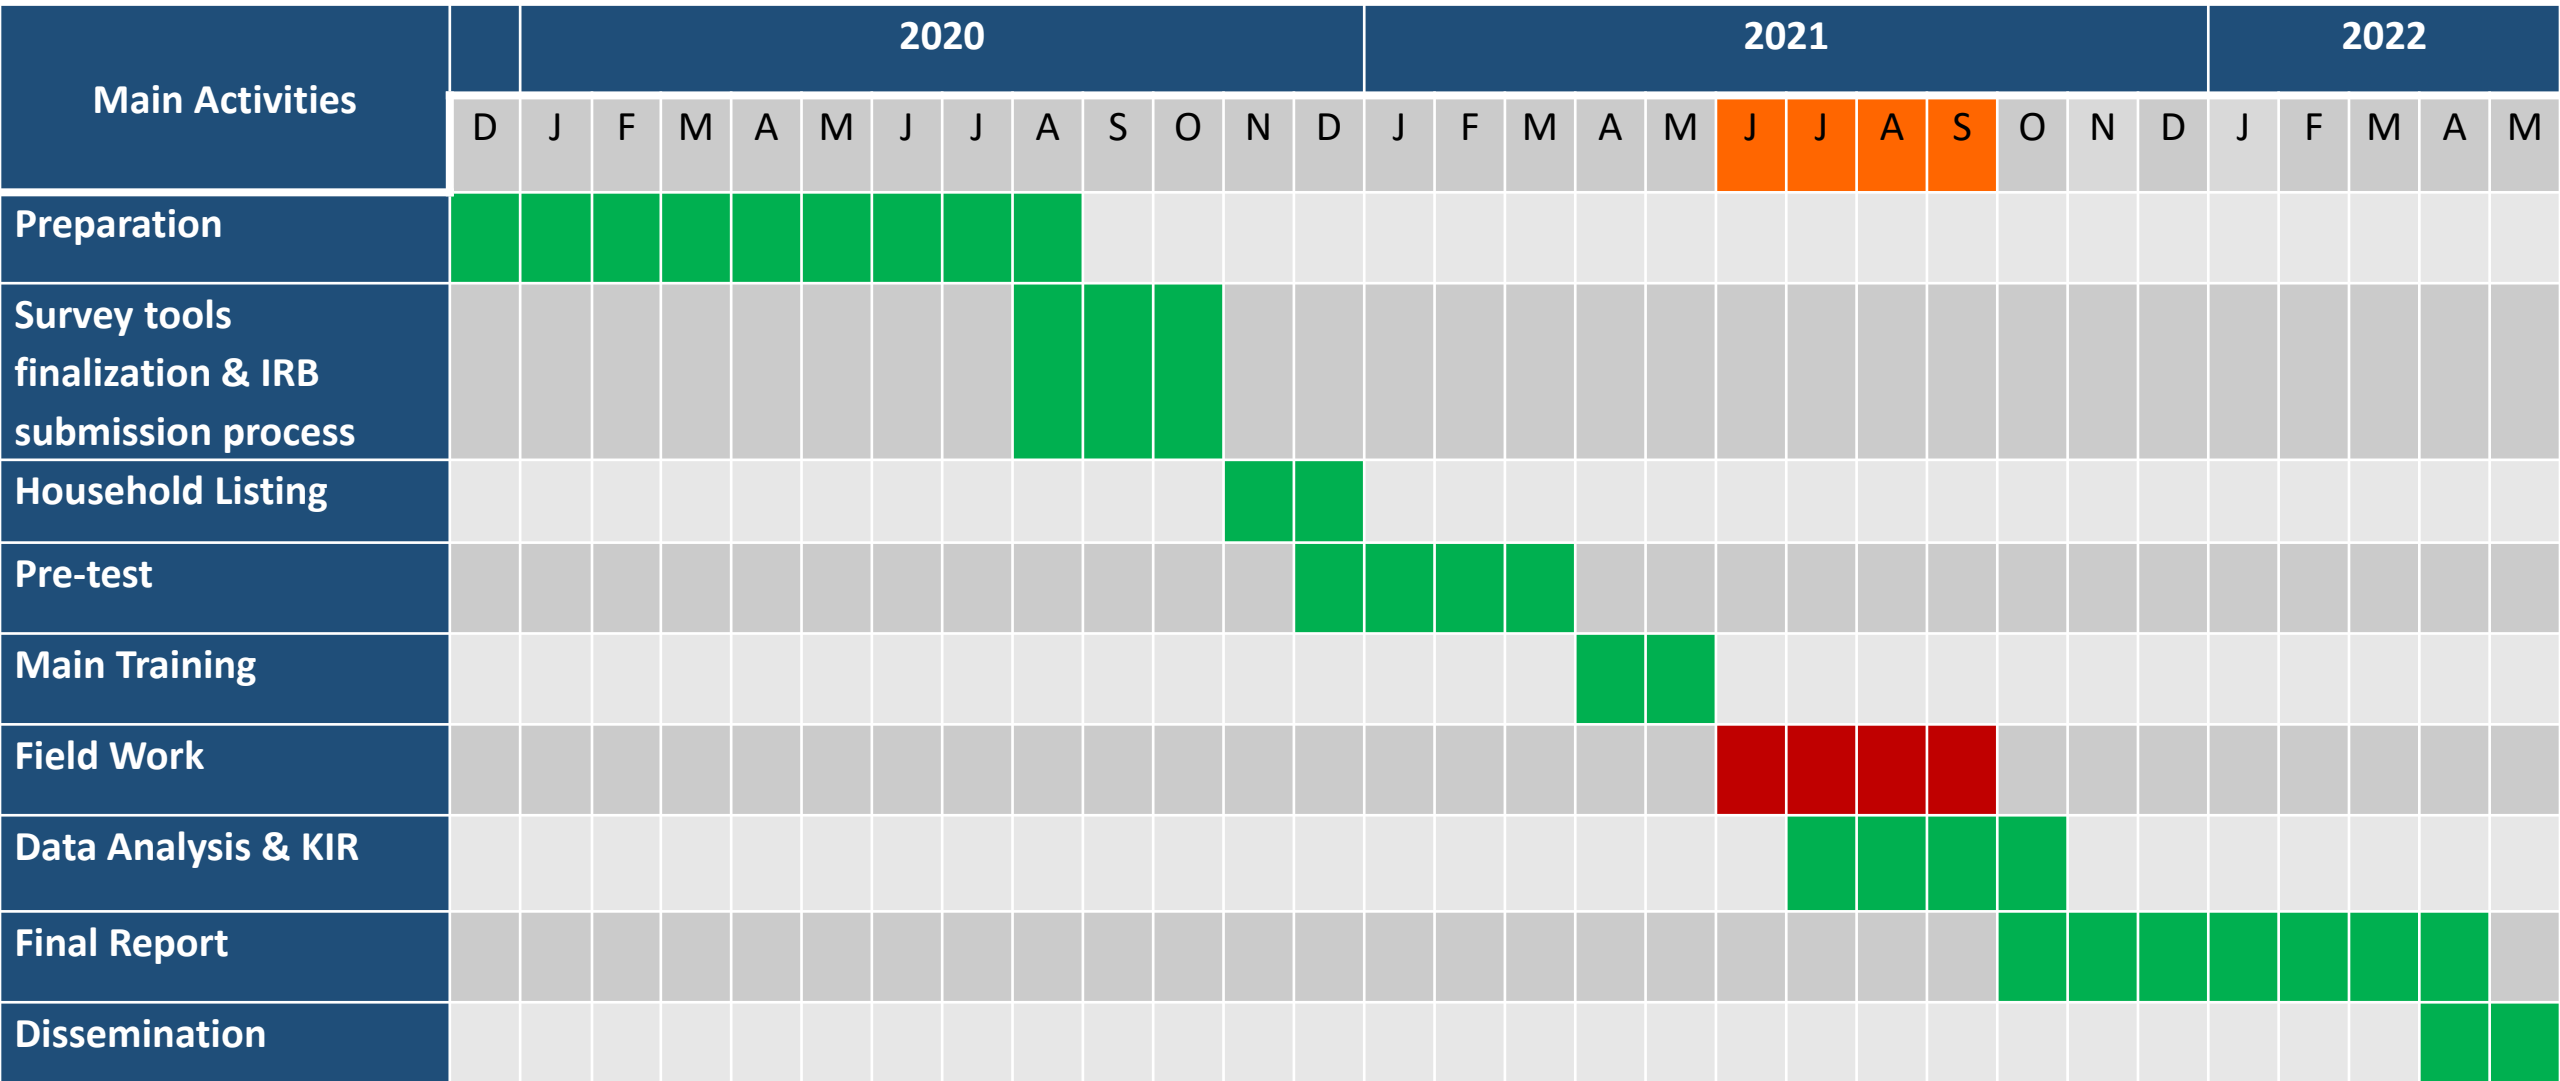

Contents

- Timeline for the whole survey – Gantt Chart
- Seeking advices and guidance for acceleration of 2020-21 MDHS implementation:
 - Questionnaire reviews
 - Household listing and
 - Consultative meetings

Gantt Chart of 2020-21 MDHS

Acceleration in implementation

Field data collection falls into the rainy season

Need acceleration to avoid the risks of field work

Activities need to accelerate

- 1) Questionnaire Finalization (Ethical review)
- 2) Household Listing Operation, and Pre-test
- 3) Consultative meetings with State & Regional Health Directors and EHOs

Questionnaire review & finalization

Questionnaires in DHS 8

- Types of questionnaire in DHS 8 (the DHS's generation to be used in 2020-21 MDHS)
 - Household Questionnaire
 - Woman Questionnaire (age 15 – 49)
 - Man Questionnaire (age 15 – 49)
 - Biomarker Questionnaire (children age 0-5; women age 15-49)
 - Field Worker Questionnaire

Household Questionnaire

Sr	Sections in 2015-16 MDHS (DHS 6)	Sections in Standard DHS (DHS 8)
1	Household Schedule	Household Schedule
2	Household Characteristics + Mosquito nets	Household Characteristics + Mosquito nets
3	Child Discipline	Child Discipline
4		Out-of-pocket Health Expenditures
5	Anthropometry and Anaemia (Children under 5 and Women age 15-49)	(In the Biomarker Questionnaire)

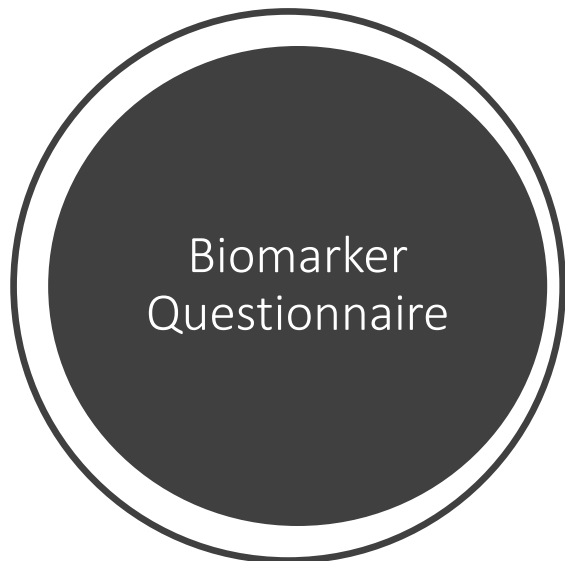

Women Questionnaire

Sections IN 2015-16 MDHS (DHS 6)	Sections IN STANDARD DHS (DHS 8)
1 Background Characteristics	Background Characteristics
2 Reproduction	Reproduction
3 Contraception	Contraception
4 Pregnancy and Postnatal Care	Pregnancy and Postnatal Care (and Newborn Care)

2	Anemia for children 6-59 months		Anemia for children 6-59 months
3	Anthropometry (weight, height) and anemia for women age 15-49		Anthropometry (weight, height, mid-upper arm circumference) and anemia for women age 15-49

Reviewing the Modules

Not much different from the 2015-16 MDHS

The reviews for the standard modules can be conducted shortly

Only some additional modules need to be review thoroughly

Need to build in time to discuss COVID-related questions

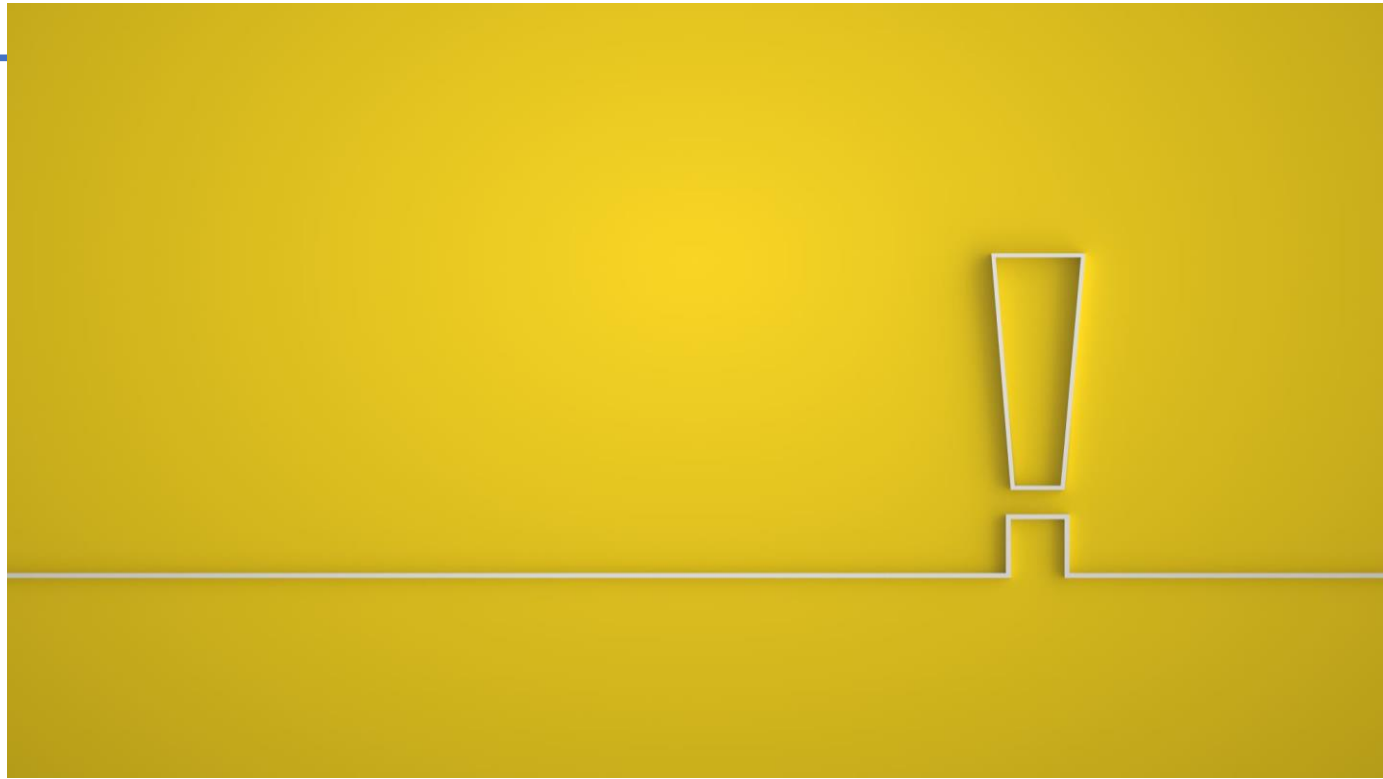

Technical officials from MoHS and line ministries, and experts from implementing partners can review the modules

Proposed schedule and teams

Sr.	Questionnaire	Schedule	Proposed Participants
1	Household Questionnaire	3 & 4 September 2020	CSO, DPH, UPH (Ygn), UCH (Magway), DMR, GAD, PD, Border Affairs, DERPT, DSW, MMCWA, USAID, UNFPA, UNICEF, WHO, WB, EHO, PSI, FHI, Bloom Berge, Pyi Kyi Khin, Garuna La Yeik,
2	Women's Questionnaire	15 – 16 September 2020	UM (Ygn, Mdy and Magway), DPH, UPH (Ygn), UCH (Magway), DMR, GAD, PD, Border Affairs, DERPT, DSW, MMCWA, USAID, UNFPA, UNICEF, WHO, WB, EHO, PSI, FHI, Bloom Berge, Pyi Kyi Khin, Garuna La Yeik,

4	Biomarker	17 September 2020	DPH, UPH (Ygn), UCH (Magway), DMR, GAD, PD, Border Affairs, DERPT, DSW, MMCWA, USAID, UNFPA, UNICEF, WHO, WB, EHO, PSI, FHI, Bloom Berge, Pyi Kyi Khin, Garuna La Yeik,
5	Field Worker Questionnaire		No meeting required

Household listing operation

Household listing

- The sampling frame being used for the 2020-21 MDHS is based on the 2014 Census
- The maps and lists of households in the selected clusters need to be updated so as to increase the credibility of the survey
- The recruitment (about 48 lister + mappers for 24 HH listing teams) is required and it will be followed by the 5 days training
- The clusters to be enumerated for the 2020-21 MDHS are selected, so that it can be started soon

Proposed timeline for HH listing operation

Activity	Date
Recruitment	Last week of August
Training	First week of September
Field Work	Sep + Oct

Consultative meetings

Consultative Meetings with State & Regional Health Directors

- To raise the awareness of 2020-21 MDHS
- Participation of the Health Personnel in the HH listing, Main data collection and monitoring of the data collection

PROPOSED TIMELINE

18 September 2020

- Dissemination of the Key Indicator Report (KIR) and Final Reports

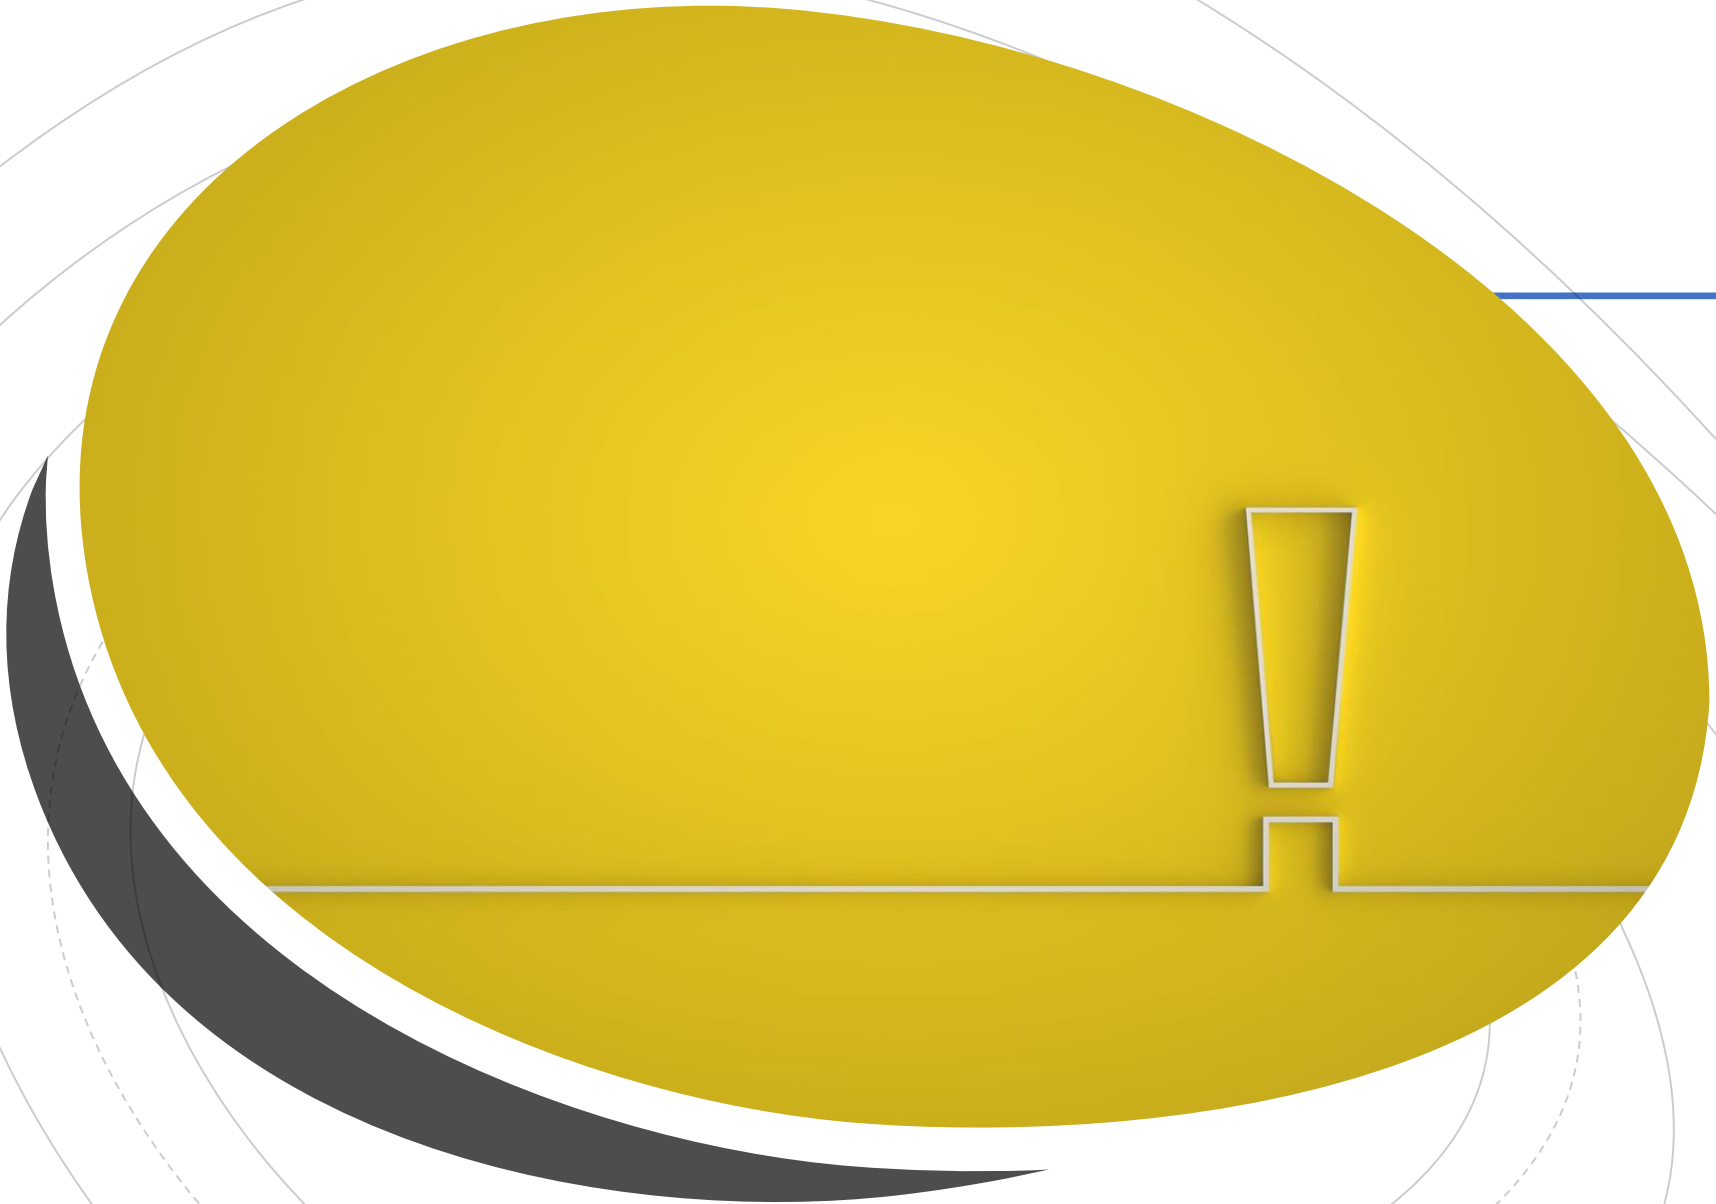

Consultative meetings with EHOs

- Only one day meeting in the city of the respective state
- To introduce the 2020-21 MDHS to the EHOs.
- To brief them what are the enumeration areas in the respective EHO areas
- Recruitment of the enumerators for the main data collection

Consultative meeting with EHOs

Sr.	Place	Date	Participants
1	Mon (Mawlamyine)	24 Sep 2020	EHOs +some CBOs
2	Kayin (Pa-an)	25 Sep 2020	EHOs +some CBOs
3	Kayah (Loikaw)	6 Oct 2020	EHOs +some CBOs
4	Kachin (Myitkyina)	13 Oct 2020	EHOs +some CBOs
5	Shan_E (Kyaing Tong / Tachileik)	20 Oct 2020	EHOs +some CBOs
6	Shan_S (Taunggyi)	27 Oct 2020	EHOs +some CBOs
7	Shan_N (Lashio)	3 Nov 2020	EHOs +some CBOs
