

Action Plan for Prioritized Research

Dr. Saw Saw

M.B;B.S, PhD (University of Melbourne)

Deputy Director General (Research)

Department of Medical Research (POLB)

**Online Brainstorming Workshop for Further Development of Action Plan
for Implementation Research (MRH), DMR (POLB), 25th-26th September 2020**

Outline

- Why we need Action Plan?
- Components of Action Plan
- Briefing for Group Work

Why we need Action Plan?

Implementation Research involves

✓ Identifying implementation problems

✓ Developing and testing practical **solutions**

✓ Identifying modification & adaptation

✓ Determine best way for **solution**

Goals of IR

- Uptake of solution
- Sustainability of solution

Components of Action Plan

- 5 Research Areas
- Key Research Question(s)
- Research Objective(s)
- Suggested Methodology
 - Study Design
 - IR or non-IR
 - Data collection methods
 - Study Population(s)
 - Study Area(s)
 - Suggested Timeline
- Funding source(s)
- Proposed Lead organization/Principal investigator
- Proposed Collaborative organization/Co investigators
- Focal TWG to monitor the progress of research project

- Research Areas (1 to 5)
- Key Research Question(s)
- Research Objective(s)

Suggested Methodology

- Study Design

- Intervention or not
- IR or non-IR

- Data Collection Methods

- Quanti
- Quali
- Mixed

- Study Population

- Community (mothers, women of reproductive age, adolescents, youth, married couple?)
- Health Care Providers (public, private)

- Study Area(s)

- States/Regions?
- Urban/rural?
- Nation wide?

- Funding source(s)
 - MOHS IR grant
 - IPs, UNFPA, WHO, Access to health fund,

• Suggested Timeline

2020		2021		2022	
1	2	1	2	1	2
3	4	3	4	3	4
5	6	5	6	5	6
7	8	7	8	7	8
9	10	9	10	9	10
11	12	11	12	11	12

- Proposed Lead organization
 - Principal Investigator (responsibility, technical contribution)

- Proposed Collaborative organization
 - Co investigators (technical inputs)

- Focal Technical Working Group(TWG) to monitor the progress of research project
- Reproductive Health TWG
- Family Planning TWG

Briefing for Group Work

Briefing for Group Work

- Research areas
- Key Research Question(s)
- Research Objective(s)
- Suggested Methodology
 - Study Design
 - IR or non-IR
 - Data collection methods
 - Study Population(s)
 - Study Area(s)
 - Suggested Timeline
- Funding source(s)
- Proposed Lead organization/Principal investigator
- Proposed Collaborative organization/Co investigators
- Focal TWG to monitor the progress of research project
